## MOVIE CLUB REVIEW

During our last Movie Club we watched the second episode of the series "Sherlock" based on books about the adventures of the aforementioned detective and his assistant, Dr. Watson, written by the British writer Sir Arthur Conan Doyle.

The series has been created by Steven Moffat and Mark Gatiss, it stars Benedict Cumberbatch as Sherlock Holmes and Martin Freeman as Doctor John Watson. The series is set in the present day, except the one-off special features a Victorian period fantasy resembling the original Holmes stories. Sherlock is produced by the British network BBC, along with Hartswood Films, with Moffat, Gatiss, Sue Vertue and Rebecca Eaton serving as executive producers. The series is primarily filmed in Cardiff, Wales, with North Gower Street in London used for exterior shots of Holmes and Watson's 221B Baker Street residence.

Sherlock depicts "consulting detective" Holmes, assisting the Metropolitan Police Service, primarily Detective Inspector Greg Lestrade (Rupert Graves), in solving various crimes. Holmes is assisted by his flatmate, Dr John Watson, who has returned from military service in Afghanistan. Although the series depicts a variety of crimes and perpetrators, Holmes' conflict with his archenemy Jim Moriarty (Andrew Scott) is a recurring feature. Molly Hooper (Louise Brealey), a pathologist at Bart's Hospital occasionally assists Holmes in his cases. Other recurring roles include Una Stubbs as Mrs Hudson, Holmes and Watson's landlady; and co-creator Mark Gatiss as Sherlock's brother, Mycroft Holmes.

"The Blind Banker" is about mysterious symbols and murders showing up all over London, leading Sherlock and John to a secret Chinese crime syndicate called Black Lotus.

# THE WORLD OF COMPUTERS

A lot of new games and computer improvements will be introduced in 2019.

I like playing Critical Ops. Critical Ops (abbreviated to C-OPS) is a multiplayer first-person shooter video game developed by Critical Force. It was released to Open Alpha in September 2015 for Google Play and had been in beta until the full version (1.0) was released in November 2018. Critical Ops is an objective-based, multiplayer first-person shooter, and it is influenced by Counter-Strike. The first official Critical Ops tournament was played in 2016. As of September 2018, the game had been downloaded over 34 million times. It will be updated in a month. New UI look, clan wars and changes in ranks will be added to the game. New guns, skins and emblems too. I will reach Special Ops rank soon. Now I have the Master rank, which is one level lower. There are lots of hackers (I'm called a hacker sometimes, but really I'm not hacking), but it'll change. I have an elite pass in season 2 which I got to level 39. In that pass there are lots of cases and good-looking skins that I want. After this I'll make a case opening. Maybe I'll get a tier 5 skin or knife-that's what I want the most. Level 40 (in the free pass) has the Winterfest case - the next thing I'll open up. In that case there are the best-looking skins in my opinion.

# WINTER HOLIDAY

In my dream winter holidays, I go to France and go skiing. After skiing I go to the village and play with local children.

I like to eat onion soup and Coquilles de Saint Jacob in other words shells of St Jacob. There is a lot of mountains and a lot of snow in winter. I like France, because it's so romantic.

In this winter holiday I'm going to the dance camp. The topic of the camp is the 80's style. After the camp I'm going to my grandma's house. Probably during the second week I will watch a movie. I want to finish the trilogy of "The Godfather" or "Bridget Jones's Diary". I'm going to read "The King of Rock 'n' Roll - history of Elvis Presley". It's my free time, so I want to relax and study to final exams. I want to have a nice time this winter holiday.

**WHAT I WANT TO SEE IN 2019**

In 2019 I want to see something different. Because in 2018 we had many famous memes, but not all of them were good. I think they must try more to do legendary memes, that will be remembered for many years. I can't predict what picture or song can be popular and funny. Memes are one, big surprise.
