This month our TBT Reporters are recalling the last holidays and dreaming about the next summer. As some time has already passed since the holidays, our reporters are very unhappy because of the current time of the year. Have a look into our “autumn memes” ☺.

This month our Vietnamese reporters will tell us about Halloween in Vietnam – yes, it is there too.

We don't forget about our teachers – 14th of October is the Teacher's Day in Poland – have a look into our “jokes and funny pictures” section for some funny situations from a teacher's life ☺. And last but not least – very interesting movie reviews for younger and older viewers.

*Fall is here, hear the yell
Back to school, ring the bell*

*But the last day of summer
Never felt so cold
The last day of summer
Never felt so old*

Autumn memes

I've prepared some memes, because people need some vitamins C, D3 and fun to survive the autumn, so before watching them please consult a doctor or pharmacist, as funny thing watched improperly may cause lots of loud laughter and endanger people sitting near you ☺

HOLIDAYS & AUTUMN

My last summer

Last summer was very interesting for me. I was on a camp. This camp was placed near Masurian Lakes. I had lots of fun there. I played many games, I was sailing and relaxing. Then I went to my holiday cottage in the Podlasie region. I spent a lot of time with my brother there. Next we went to the Baltic sea. I went there with my family and friends. I was sunbathing and swimming in the sea. *Interesting fact*= it was hot there and in the sea there were jellyfish and algae. In my opinion this holiday was the best holiday I've ever been in 😊.

HOLIDAYS & AUTUMN

It's autumn now...

Now, it's much colder than it was a month ago. I don't want to write about autumn, I want to write about the holidays, because that will help us to survive the long school year.

During the last holidays, I was in Kołobrzeg. It's a seaside and spa town. I stayed with my parents in the hotel. The hotel was built near the beach, so we often went there. I built some sand buildings (not sandcastles), while my parents were sitting and reading the books, etc. I also visited the museum of minerals, basilica and other things like that.

When we finished our stay in Kołobrzeg, we went to Wisła. It's a small town where the Vistula river has its beginning. We stayed in a big hotel with an aquapark, where we spent most of the time. We also visited the museum of the Silesia Beskid culture.

My favourite country for spending the holiday time (especially winter holidays) is Spain, precisely the Canary Islands. This place is very beautiful and you can rest there.

MOVIE REVIEW

Coco - the movie I recommend 😊

The last movie I've seen was *Coco*. This is an animated movie. This movie was created in 2017. This movie was directed by Lee Unkrich. Walt Disney Pictures and Pixar Animation studios produced this film. The movie is about a boy, called Miguel Rivery and his family. He wants to become a singer and a guitar player but his family forbids him. He really likes listening to his favourite singer Ernesto de la Cruza. One day he discovers that his favourite singer was his great great grandfather. I really liked this movie 😊

MOVIE CLUB REVIEW

Movie Club Review

During our last Movie Club we watched “Green book”. Green Book is a 2018 American biographical comedy-drama film directed by Peter Farrelly. Set in 1962, the film is inspired by a true story. Dr Don Shirley is a world-class African-American pianist, who is about to embark on a concert tour in Deep South. In need of a driver and protection, Shirley recruits Tony the Lip, a serious-minded bouncer from an Italian-American neighborhood in Bronx. Despite their differences, two men soon develop an unexpected bond while confronting racism and danger in an era of segregation. The movie won the Oscar for: the best original screenplay and the best picture. Mahershala Ali playing Dr Shirley won the Oscar for “The Best Supporting Actor” and Viggo Mortensen was nominated for “The Best Actor”.

HALLOWEEN IN VIETNAM

In the past decade, Halloween has been introduced to Vietnam and become a celebration with its very own unique version that excites many tourists who visit Vietnam in late October. Since Halloween is not an official holiday, the celebration is mostly observed in bigger cities especially in Saigon and Hanoi among the younger population. Festive activities blend trick-or-treating, crazy costumes, haunted houses, and raving music into some of the greatest Halloween parties.

JOKES AND FUNNY PICTURES

Teacher at the beginning
of the school year

Teacher at the end
of the school year

An old teacher asked her student,
"If I say, 'I am beautiful,' which
tense is that?" The student replied,
"It is obviously past."

What do you call a person who keeps on
talking when people are no longer interested?

A teacher!

Teacher: "You know you can't sleep in
my class."
Boy: "I know. But maybe if you were
just a little quieter, I could."

A friend in need is a friend indeed
